Rebreed Form

January 1, 2021

Mare Owner: _____Month planning to rebreed:_____

Mare Name: _____Live Cover ( ) or Shipped Semen ( )

Dear Mare Owner: I am sorry that your mare is not expecting a 2021 foal and would like to provide you with this information to facilitate your rebreed. This is a simple form for you to fill out and return to me. This form is your opportunity to advise me about when you plan to breed your mare, whether you plan to bring her to my facility for live cover, or, whether you prefer to have me ship semen to you. And the form provides me an opportunity to have you update all of your contact information such as your mailing and shipping addresses, phone numbers and credit card information (if you want to pay by credit card) for our files. If you choose to bring the mare to my facility for live cover, please indicate by checking the appropriate box. I will need a current Health Certificate and Coggins copies for my records prior to dropping her off at my facility. In addition to the 2021 Rebreed form, I will need the following sent to me to complete my records and to process your breeding:

1) Copy of mare's registration papers (if mare is a substitution and papers are not previously on file).

2) Copy of veterinarian's statement for reason for rebreed.

3) Copy of negative uterine culture with sensitivity and cytology current within 30 days is required for all open mares.

4) If you are substituting a mare, please advise me of this on the form and again, I will need a copy of her registration papers.

5) If you bring the mare to my facility for live cover, the mare care fee is $10 a day.

6) If we are shipping semen, these fees; $300 cooled/frozen or $445 for Airline. This can be charged to your credit card at the time of shipment or please send a check in advance. I will not ship unless fees are paid in advance.

7) If for some reason you do not have a previous year Live Cover or Shipped Semen Contract in place, you will need to execute a 2021 Contract in addition to this Rebreed Form.

As an alternative to providing me with a credit card for shipped semen fees, you may prepay for these services by check, cash, or money order.
